

Whenever You Come Around

G **C**
The face of an angel, pretty eyes that shine

G **D**
I lie awake at night wishing you were mine

G **C**
I'm standin' here holding the biggest heartache in town

Em **D** **G**
Whenever you come around

C **G**
I get weak in the knees and I lose my breath

Am7/D **D** **G**
Oh I try to speak but the words won't come I'm so scared to death

C **Em D C**
And when you smile that smile, the world turns upside down

G **D** **G**
Whenever you come around

A **D**
I feel so helpless I feel just like a kid

A **E**
What is it about you that makes me keep my feelings hid

A **D**
I wish I could tell you, but the words can't be found

Em **D** **G**
Whenever you come around

C **G**
I get weak in the knees and I lose my breath

Am7/D **D** **G**
Oh I try to speak but the words won't come I'm so scared to death

C **Em D C**
And when you smile that smile, the world turns upside down

G **D** **G**
Whenever you come around
