G.S.B.T.T.C. (Giving Something Back To The Community) was established in March, 2000. It was the brainchild of Wyatt Becquette III and Denise Brown- present chairman and secretary, respectively, of the organization. They felt that they had been blessed and wanted to do something to help those who were a little less fortunate. They wanted to give something back to their community.

The Festus/Crystal City and surrounding community is in need of many social organizations that are capable of providing assistance to individuals and/or families that need help from time to time to cover necessary financial obligations. They need help with paying their utility bills, paying for their prescriptions, putting food on the table, emergency housing after a calamity, etc. That is what we, G.S.B.T.T.C. (Giving Something Back To The Community), do. We lend a helping hand.

Our goal is to reach as many in need in the population of Festus/Crystal City as possible and if we can reach outside of that demographic, all the better.

Our hope is to be able to expend more funds for a longer duration throughout the calendar year. Also our hope is to be able to help someone get back on their feet after they have experienced a minor setback.

Our operating budget has been rather limited in previous years. Seven to eight thousand dollars does not reach a lot of people who desperately need it. By procuring more funds, it will help us to extend a helping hand to a larger number of needy households within the population.
